## PROFILE

---

A recent web development bootcamp graduate with a solid understanding of HTML, CSS, and JavaScript. Passionate about building user-friendly websites and eager to learn and grow in a junior/entry-level role. Recognized for enhancing project functionality through the redesign of web interfaces using various technologies. Committed to frontend development and adhering to agile methodologies. Strong ability to self-manage projects while also thriving in team environments. Looking for an opportunity to apply my skills, contribute to a supportive team, and continue growing as a developer.
